**MALMSTEN IS THE OFFICIAL SWIMMING RACING LANES SUPPLIER  
OF THE *LIGUE EUROPÉENNE DE NATATION* (LEN)**

LEN (European Swimming Federation) is pleased to declare that the Swedish company MALMSTEN AB is the official supplier of swimming pool racing lane equipment for the *Ligue Européenne de Natation*.

The agreement between LEN and MALMSTEN establishes full collaboration regarding the use of Malmsten lanes at the European Swimming Championships and European Short Course Swimming Championships during the period that goes from 2009 to 2012.

In addition, MALMSTEN supplies LEN with lane number signs, lanes for Synchronised Swimming and Open Water Swimming as well as the following equipment for Water Polo: Water Polo Goals and Field, Referee Catwalks, and Water Polo Ball Release Systems.

Being the European governing body for swimming, diving, water polo, synchronised swimming, and open water swimming, with affiliated Federations from 51 countries, LEN is proud to count on MALMSTEN in providing the best equipment available in this domain for the benefit of our athletes.
